We appreciate the long time support of City Council for sister cities initiatives!

Pittsburgh Matanzas Sister Cities Partnership received a formal Proclamation from Mayor Bill Peduto highlighting our advocacy and commitment for Pittsburgh to continue building stronger relationships with the government officials and citizens of Matanzas.

How your continued membership renewal or donation has helped us:

- We **organized a car caravan** in July, 2021, to demonstrate our solidarity with Cuba during their heroic efforts to fight the effects of the pandemic and assist poorer nations around the globe with emergency medical needs;
- Worked closely with our partner **Global Links** in two successful campaigns—**raising \$5,000** in May, 2021 as part of a successful effort nationally that sent six million syringes to the Cuban Ministry of Health;
- **Raised \$14,505** by the end of December, 2021 specifically for badly needed PPE equipment and supplies that were shipped to Matanzas;
- We strengthened our relationship with **Congressman Mike Doyle** who signed every legislative effort in opposition to the blockade, met with the Cuban Ambassador, worked to re-constitute the Cuba Caucus at the Capitol and we now await a visit to Pittsburgh from **Ambassador Lianys Torres Rivera**;
- Improved our outreach by up-dating our web site: **cubasipgh.org**
- Maintained our communication in joint planning and advocacy with the **National Network on Cuba** and dozens of solidarity organizations across the U.S. to fight the travel ban and illegal economic blockade.

Please Consider Renewing or Becoming a Member of the Pittsburgh Matanzas Sister Cities Partnership. Thank You!
